ALTOONA CITY PLANNING COMMISSION

The Altoona City Planning Commission, created in March 1916, is composed of seven residents appointed by the Mayor with the approval of City Council. The Commission is responsible for developing and updating the Comprehensive Plan, reviewing proposals that affect the development of the City, and providing a public forum that encourages participation in guiding the future of the City.

SPOT BLIGHT DECLARATION

1. 413 North 6th Street

Mr. Luchansky presented the Blighted Property Review Committee's recommendation to certify 413 North 6th Street as blighted and submit to the Altoona City Planning Commission and Altoona Redevelopment Authority for recommended rehabilitation.

Motion certifying to the Redevelopment Authority of Altoona (RAA) that 413 North 6th Street, Altoona, Pennsylvania:

- (a) **Was declared blighted by the City of Altoona's Blighted Property Review Committee at its November 20th, 2025 meeting and recommended to the RAA for acquisition and reuse, in accordance with the Urban Redevelopment Law Act of 1945 P.L. 991, No. 385 as amended, and that the Altoona City Planning Commission hereby concurs in the Blighted Property Review Committee's determination of blight; and**
- (b) **The recommended reuse is residential in nature; and**
- (c) **That the recommended reuse is consistent with the City of Altoona's comprehensive plan, All Together Altoona, p. 54, "A final foundational step for implementing the All Together Altoona Action Plan—one that draws on the other foundational steps—is acceptance that Altoona's housing supply will require continuous editing on**

multiple fronts to advance the plan’s vision. Every year, there need to be a combination of demolitions, rehabs, and new housing units put into service to make the city’s housing supply and neighborhoods healthier and more responsive to the needs of existing and future residents. Since Altoona’s population is likely to continue to decline, this combination of activities needs to be intentionally calibrated to result in a smaller number of housing units over time—but units that are in better overall condition and reflect higher standards that will help Altoona compete for households and generate healthy levels of reinvestment by property owners.” Was made by Mr. Ickes. Motion was seconded by Mr. Brennan. Motion passed unanimously.

**RESOLUTION
DECLARATION OF BLIGHT
413 North 6th Street**

Whereas the City has undertaken aggressive measures under the International Property maintenance Code to eliminate blight from the City; and

Whereas the City of Altoona’s Blighted Property Review Board has determined that the property at **413 North 6th Street** is blighted under Act 94-1978 addressing factors for blight declaration on individual properties as enumerated below:

- A. Any premises which because of physical condition or use is regarded as a public nuisance at common law or has been declared a public nuisance in accordance with the local housing, building, plumbing, fire and related codes.
- B. Any premises which because of physical condition use or occupancy is considered an attractive nuisance to children, including but not limited to abandoned wells, shafts, basements, excavations, and unsafe fences or structures.
- C. Any dwelling which because it is dilapidated, unsanitary, unsafe, vermin-infested or lacking in the facilities and equipment required by the housing code of the municipality, has been designated by the Department responsible for enforcement of the code as unfit for human habitation.
- D. Any structure which is a fire hazard, or is otherwise dangerous to the safety of persons or property.
- E. Any structure from which the utilities, plumbing, heating, sewerage or other facilities have been disconnected, destroyed, removed, or rendered ineffective so that the property is unfit for its intended use.
- F. Any vacant or unimproved lot or parcel of ground in a predominantly built-up neighborhood, which would be by reason of neglect or lack of maintenance has become a place for accumulation of trash and debris, or a haven for rodents or other vermin.

- G. Any unoccupied property which has been tax delinquent for a period of two years prior to the effective date of this Act, and those in the future having a two-year tax delinquency.
- H. Any property which is vacant but not tax delinquent, which has not been rehabilitated within one year of the receipt of notice to rehabilitate from the appropriate code enforcement agency.
- I. Any abandoned property. A property shall be considered abandoned
 - (i) it is a vacant or unimproved lot or parcel of ground on which a municipal lien for the cost of demolition of any structure located on the property remains unpaid for a period of six months;
 - (ii) it is a vacant property or vacant or unimproved lot or parcel of ground on which the total of municipal liens on the property for tax or any other type of claim of the municipality are in excess of 150% of the fair market value of the property as established by the Board of Revisions of Taxes or other body with legal authority to determine the taxable value of the property; or
 - (iii) the property has been declared abandoned by the owner including an estate that is in possession of the property.

Whereas The above-described property has been determined to be an Unsafe Structure as defined in the Property Maintenance Code of the City of Altoona, City Code Chapter 550.

Whereas Upon expiration of the required appeal process, the code official may cause the structure or part thereof to be razed and removed, either through an available public agency or by contract or arrangement with private persons, and the cost of such razing and removal shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.

Whereas The owner has received prior notice that this Declaration is pending, the notice included a statement of appeal rights, and the appeal period for the notice has tolled, and all conditions are present to allow a Declaration of Blight to be issued;

Whereas The City of Altoona Blighted Property Review Committee has referred the property at **413 North 6th Street** to the Redevelopment Authority of Altoona for potential acquisition and redevelopment, which may necessitate taking by eminent domain.

Whereas The Altoona City Planning Commission has determined that the property at **413 North 6th Street** is blighted or reasons identified in the Urban Redevelopment Law, Act of 1945, Specifically in Section 12.1, titled Blighted Property Removal, including but not limited to the fact that it constitutes a dwelling which because it is dilapidated, unsanitary, unsafe, vermin-infested or lacking in the facilities and equipment required by the housing code of municipality, has been

designated by the department responsible for enforcement of the code as unfit for human habitation.

Whereas The Altoona City Planning Commission has determined that the property at **413 North 6th Street** is blighted or reasons identified in the Urban Redevelopment Law, Act of 1945, Specifically in Section 12.1, titled Blighted Property Removal, including but not limited to the fact that it constitutes any vacant or unimproved lot or parcel of ground in a predominantly built-up-neighborhood, which by reason of neglect or lack of maintenance has become a place for accumulation of trash and debris, or a haven for rodents or other vermin.

Whereas The Altoona City Planning Commission has determined that the property at **413 North 6th Street** is blighted or reasons identified in the Urban Redevelopment Law, Act of 1945, specifically in Section 12.1, titled Blighted Property Removal, including but not limited to the fact that it constitutes a structure from which the utilities, plumbing, heating, sewerage, or other facilities have been disconnected, destroyed, removed, or rendered ineffective so that the property is unfit for its intended use.

Whereas Under the Urban Redevelopment Law Act of 1945 P.L. 991, No.385 as amended, in order to proceed with taking by the Redevelopment Authority of Altoona by eminent domain, the property must be reviewed by the City of Altoona Planning Commission to certify to the Redevelopment Authority of Altoona that the property is indeed blighted and eligible for taking by eminent domain to cure said blight, to establish an appropriate reuse after taking, and establish that said redevelopment shall be in accordance with the City of Altoona's Comprehensive Plan.

Now, Therefore, Be It Resolved by the Altoona City Planning Commission:

1. That the property at **413 North 6th Street** is blighted.
2. That the Commission **certifies** to the Redevelopment Authority of Altoona that the property is blighted.
3. That the appropriate reuse of the property if taken by means of eminent domain is **residential in nature**.
4. That the recommended use is **consistent with the City of Altoona's Comprehensive Plan**.

Chairperson
